NOTICE TO PARENTS AND STUDENTS

As a private Catholic institution, the School Handbook is the contract between St. John Neumann Catholic High School and parents regarding the policies, procedures, and philosophies that will be observed in the course of educating the children entrusted to the school's care. All parents and students are responsible for the information contained within the St. John Neumann Catholic School Handbook.

Every effort is made to include in the School Handbook all policies and procedures pertaining to the 2022-2023 school year. Circumstances may require administrators to apply the School Handbook to unique and unanticipated situations. Final interpretation of the School Handbook is the responsibility of the Principal. Any changes that may be made during the school year will be communicated to students at school and to parents via email and the school website (www.sjnceltics.org). Once formally announced, changes made during the school year shall be immediately considered a part of this document.

All students and parents are required to sign and return a copy of the **Student-Parent Handbook Agreement**. Each student is required to present the completed form to his or her homeroom teacher on or before Friday, September 5, 2024.

Due to the importance of acknowledging these responsibilities, students who do not return the form by this deadline will lose their iPad until the form is returned.

INTRODUCTION

MISSION STATEMENT

St. John Neumann Catholic High School; a college-preparatory school in the Salesian tradition, is committed to providing our students with a rigorous, college-preparatory education rooted in the Gospel values and the educational philosophy of St. John Bosco.

We create a unique, personalized learning environment that prepares each student to positively impact the world through faith, integrity, intelligence, personal responsibility, joy, and selfless service.

SCHOOL PHILOSOPHY

At the core of the school's philosophy is the Salesian Educational System of St. John Bosco, who emphasized the importance of creating a family-like atmosphere rooted in kindness and cheerfulness. The name he gave to his approach, the Preventive System, is based on three key principles of Reason, Religion, and Loving Kindness.

To this end, educators strive to build a personalized rapport with the students, which consists of friendliness and affirmation, while at the same time carefully providing disciplined structures that promote self-discipline.

Our educators are not merely content with imparting knowledge to their students; they seek to help the students recognize their inner worth and dignity as children of God and develop their own unique gifts and skills. In this way, students are enabled to know and understand themselves better, equipped to excel academically, and are empowered to build a better world.

DESIRED RESULTS FOR STUDENT LEARNING

The concepts of learning at St. John Neumann Catholic High School, spiritual growth, and personal development are inextricably intertwined. This has relevance to post-high school life, where the quality of one's relational life, spiritual growth, community involvement, and job performance are all highly dependent on cognitive and personal skills. The impact of the school's academic program is enhanced by what occurs outside the classroom. Therefore, St. John Neumann Catholic High School strongly believes in the importance of providing opportunities for students to learn, grow, and develop through every facet of school life.

Specifically, it is desired that St. John Neumann Catholic High School students will achieve:

- Complex cognitive skills, including reflection, critical thinking, and problem solving.
- Effective written and oral communication skills that demonstrate meaningful content and purpose.
- The confidence for innovative thinking in a variety of contexts.
- Interpersonal skills that include decision-making and conflict resolution.
- The knowledge and skills needed to maintain good physical, emotional, and social health.
- An appreciation and understanding of spirituality as enhanced through a program of study in Catholic theology and various spiritual opportunities.
- A sense of identity that includes self-esteem, confidence, integrity, aesthetic sensibilities, and civic responsibility.
- An understanding and appreciation for preserving our natural environment.
- An acceptance and appreciation of ethnic, religious, and cultural diversity, and individual differences.
- A commitment to fairness, mercy, compassion, and justice within the Neumann community, as well as beyond.
- An appreciation for the arts and participation in vital elements of human expression and culture.
- The ability to apply knowledge and skills to practical problems encountered in life.
- The skills to effectively and responsibly use computer technology.
- Knowledge and skills of a second language, as well as appreciation of its culture.

- The ability to research effectively to gain, analyze, and synthesize new information, as well as support inferences and justify conclusions.
- The academic skills necessary to be successful in their continuing education with the goal of being a productive citizen; the foundation to be a life-long learner.

CATHOLIC IDENTITY AND MISSION

Building on the rich tradition of Catholic education, St. John Neumann Catholic High School strives for excellence in every school program, both academic and co-curricular. Mindful of our vocation to LIVE JESUS by imitating Christ, the school is committed to providing a Gospel-based community for students, staff, and parents that fosters growth in faith, hope, and love. As a Catholic-school community of faith and learning, we participate in the mission of the Church by:

- Building a community of faith and learning that seeks to provide a constant reference to the Gospel and frequent encounters with Christ.
- Creating a unique school culture defined by the Salesian charism and inspired by the life and legacy of St. John Bosco.
- Providing opportunities for spiritual growth through prayer, retreats, devotions, and the Sacraments, especially the Eucharist.
- Cultivating an appreciation of Church teaching that is intellectually challenging and prepares students for a life of faith and service in a pluralistic, secular society.
- Fostering devotion to Mary, Mother of God.
- Promoting Christian values and moral decisions in and outside of school.
- Encouraging a commitment to social justice and creating opportunities for authentic Christian service, especially among the poor and vulnerable.
- Fostering a school environment that is welcoming, respectful, and mutually supportive.

PRAYER ON CAMPUS

Each morning, the school day begins with prayer and a thought from the Principal. Every class period and activity begin with prayer. The day ends with prayer. Those with special requests for school community prayers are invited to bring them to Campus Ministry so they can be announced to the school.

SCHOOL MASS

Once a month and on Holy days of obligation, the school community gathers for Mass. In addition, the school chaplain says a weekly class Mass for all wishing to attend. Students in all grades are welcome. Adoration is offered weekly in the Chapel during lunch periods.

SACRAMENT OF RECONCILIATION

School-wide penance services are celebrated twice a year, during Advent and Lent. In addition, the school chaplain is available to hear the confessions of students throughout the year.

CLASS RETREATS

Students will participate in at least one class-level retreat during the school year.

SACRAMENTAL PREPARATION

Roman Catholic students are encouraged to have celebrated their Sacraments of Initiation by graduation. Any student interested in becoming a member of the Catholic Church is encouraged to learn about the process of Christian Initiation by speaking with their Theology teacher or the Campus Minister. All sacramental preparation is required to be done at the student's home parish.

CHRISTIAN SERVICE

PURPOSE

Service is an integral part of the Christian life. The service requirement for students is designed to reflect the teaching of Christ. *“As each one of us has received a gift, use it to serve one another as good stewards of God’s varied grace.” (1 Peter 4:10)* Services must be given to agencies that are in keeping with Catholic teachings.

GUIDELINES

Service Completed During the Summer:

All students are to complete their summer service hours by August 30, 2024. Proof of service hours must be typed on letterhead from not-for-profit agencies.

First Semester:

Freshmen and sophomores are required to complete a minimum of 20 documented service hours per year, 10 of which must be completed by December 1, 2024.

Juniors and seniors are required to complete a minimum of 30 documented service hours per year of which 15 must be completed by December 1, 2024. **Students with incomplete service hours will not be allowed to take exams.**

Second Semester:

Juniors and seniors must submit remaining service hours no later than March 24, 2025, and freshmen and sophomores must submit the remaining service hours no later than April 22, 2025, after Easter Break. **Students with incomplete service hours will not be allowed to take exams.**

The Service Coordinator will be responsible for approving and entering all service hours once verification on agency letterhead is received. **Information needed includes student’s name, dates, times, organization’s name, supervisor’s name, email and phone number along with a short description of what was done and how many hours it took to do the service.** One service hour, *only*, is awarded for one hour of service given. Students should notify the non-profit coordinator that there is a one-to-one policy: one service hour awarded for one hour of service given. Travel times are not included.

Students must request that the agency submit proof of volunteer hours on agency letterhead or with an email sent directly from a person at the organization with the proper identification markers and official logo. These letters can be emailed or the student can bring them directly to the Service Coordinator. Once the hours are submitted, the Service Coordinator will approve or disapprove the hours.

As students complete their service hours, verification of those hours must be submitted immediately. As a semester ends, so too does submission of service hour verification end for that semester.

The Service Coordinator determines which locations are appropriate for service. Service that reflects the traditional Corporal Works of Mercy will be given the greatest weight. The Corporal Works of Mercy include: feeding the hungry; giving drink to the thirsty; clothing the naked; sheltering the homeless; visiting the sick; visiting those in prison; and burying the dead. (Matt. 25)

APPROVAL OF SERVICE SITES

All service should be completed from the pre-approved location list or at a location approved by the Service Coordinator. Service that is performed in public, **non-profit** endeavors such as churches, schools, hospitals, nursing homes, soup kitchens, thrift stores, and other organizations that provide for those in need can be presented for approval. **Students may not assume that service hours completed outside the pre-approved locations will fulfill the service requirement.**

Students should not sign up for an event unless they are committed to be there. If sickness occurs, students should contact the Service Coordinator.

INCOMPLETE SERVICE HOURS

Students who do not complete the required hours will not be promoted to the next grade, mid-terms and final exams will be withheld and in the case of seniors, will be barred from senior privileges and events, and will not be allowed to graduate. In such cases, a Summer Service Agreement will be required, with approval of sites from the Christian Service Coordinator.

PARENTAL INVOLVMENT

COMMUNICATION

WEEKLY NEWSLETTER – Every Sunday evening, families will receive an electronic newsletter highlighting all the events taking place during the week. This memo includes important information, deadlines, requirements, links to permission slips, etc. All parents are asked to refer to this communication for important information.

PARENT ALERTS – The School will use the alert system to text parents on rare occasions. Usually these texts refer to pending deadlines or emergency situations. It is important that the office has the latest contact information on file. Parents should notify the office immediately upon changing contact information. Every Monday the weekly progress report will be sent to all families.

PARENT INVOLVEMENT PROGRAM

Due to the strong correlation between parent involvement and student success, parents are expected to participate in the activities of the school through 20 PIP hours. Hours can be gained by attendance at school meetings, helping with concessions or the gate during sports activities, volunteering at school events, contributing supplies or food items, supporting school fundraising through volunteer hours, cash or in-kind donations. Parents unable to achieve the 20 PIP hours are expected to support the school financially by donating \$20 for every missing hour. Parents are responsible for entering their hours in FACTS.

ACADEMIC INTEGRITY

St. John Neumann is committed to providing our students an education rooted in the Gospel values. Therefore, our students are expected to uphold the highest levels of honesty and integrity in all dealings with others and in the academic environment. All students, parents/guardians, and employees of SJN are bound to the Academic Integrity Policy.

Academic Dishonesty: examples of academic dishonesty include, but are not limited to, the following:

- c. Plagiarism: misrepresenting your own work, taking credit for the work of someone else, intentionally representing the ideas or works of someone else. This includes utilizing Artificial Intelligence (AI) to represent your work.
- d. Use of electronic devices during tests or exams.
- e. Group projects – having one person complete and submit the work for all group members.
- f. Texting answers to another student, communicating or attempting to communicate answers to another student during a test.

Possible Outcomes: students found in violation of the Academic Integrity Policy will be subject to disciplinary and academic consequences. Pending on the severity of the offense, these include, but are not limited to:

Any student who withdraws from a course after the first week of class may have a "0.0" recorded on his/her transcript. The "0.0" may be computed as a failure when calculating the student's GPA. Students will not be permitted to drop a 1.0 credit course after the first semester without the "0.0" penalty being applied for the second semester.

GRADING AND GRADE POINT AVERAGE

The conversion chart below is used to determine letter, numerical, and grade point equivalents. For all college-prep courses, the standard 4-point scale is used. All honors courses are weighted to receive an additional 0.5 grade point value. All Advance Placement courses are weighted to receive an additional 1.0 grade point value if students take the AP exam. If students do not take the AP exam, the class will be weighted as a standard 4-point scale.

The specific weight attached to each of these categories is determined by the teacher and indicated on the course syllabus provided to each student at the beginning of the school year.

SEMESTER GRADES

At the end of the second and fourth quarters, the student will receive a semester grade for each course. For the semester averages, each quarter will count as 40% of the grade and the mid-term/final exam will be 20% of the grade.

In order to remain at St. John Neumann Catholic High School, students must attain the minimum unweighted GPA listed below:

Incoming sophomores	1.85
Incoming juniors	1.90
Incoming seniors	2.00

HONOR ROLL

Names of honor roll students may be posted on the school's website, as well as in a display case on campus. Students earn quarterly honors by achieving the following levels of academic excellence:

Principal's List	4.0* and above
First Honors	3.8*
Second Honors	3.5*

*Students may not receive any grade lower than a "C" or an incomplete for a quarter grade.

REPORT CARDS

Report cards are emailed home. Following the first quarter, parent-teacher conferences will be scheduled to discuss student progress.

All grades are posted on an on-line grade book. Parents and students are urged to check progress on a regular basis.

Quarter and semester grades are posted as numeric grades while final grades are posted as Alpha grades.

SEMESTER EXAMS

Textbooks, athletic equipment and/or uniforms must be turned in, fees paid and Christian Service hours must be completed prior to taking mid-term/final exams in any course. Students who must take a make-up exam as a result of one of the above conditions not being met will have 20 points automatically deducted from that exam.

Before taking the last exam of the 2nd semester (final exam), all students who have not registered for the following year or who have not paid student fees must return iPads, chargers and cords.

Unless receiving prior permission by the Principal, **no student will be allowed to take an exam at any time other than the scheduled exam time.** To preserve the integrity of the exams, changes in exam schedule can be made only for family emergencies or documented illness. Family vacation travel does not constitute grounds for making exceptions in exam schedules. Students, who are absent due to illness may be allowed to make up the exam only upon written verification from a doctor stating the absence was due to illness.

Seniors who have an A average (93% or above) all four quarters including 1st semester exams are exempt from taking final exams in May.

STANDARDIZED TESTING

The following standardized tests are administered to students on campus:

PSAT 8/9	9 th grade
PSAT	10 th and 11 th grades
PreACT	9 th and 10 th grades
ACT	11 th grade

Juniors and seniors are required to take the SAT on their own. Parents should contact the Guidance Department for more information.

Current IEP or Full Psychological Evaluation is required for accommodations of any type of Standardized Testing. No accommodations can be given without the full and current evaluation of a student. The College Board makes the determination regarding the SAT based upon the submission of current documentation.

_____ **Student Initials Required**

_____ **Parent Initials Required**

MAKE UP WORK

A student who is absent for any reason is required to make up all work missed (tests, homework, notes, projects, etc.) **The student will have the same number of calendar days (this includes the weekends) he/she was absent to make up their work.** Any work not made up during this time will receive a grade of zero (0). It is the student's responsibility to obtain assignments for all make-up work and to complete it as directed. Students are to make every effort to determine what assignments and notes are being given in class from friends and their teachers. All make up assignments and tests have a potential of receiving 100% if the student obtains that

grade and is turned in within the allowed time frame. ASSIGNMENTS/PROJECTS THAT ARE ASSIGNED PRIOR TO THE ABSENCE AND DUE ON THE DAY OF THE ABSENCE MUST BE TURNED IN ON THE DAY THE STUDENT RETURNS TO SCHOOL. TEACHERS WILL NOT ACCEPT MAKE-UP WORK INCLUDING TESTS AND QUIZZES THE LAST WEEK OF ANY MARKING PERIOD UNLESS THE STUDENT WAS ABSENT DURING THAT TIME FRAME.

The student who leaves school early for an athletic competition or due to illness must turn in any assignments due on that day to his/her teacher prior to leaving school. It is the student's responsibility to find out from his/her teacher what work they will miss prior to leaving school, especially for athletic events.

Acceptance of late work from a student who has not been absent is at the discretion of the teacher. Full credit will NOT be given for late work turned in when a student has been present in school.

Participation in athletic events on behalf of St. John Neumann Catholic High School does not extend the due date of any project or assignment. Athletes' make-up tests or quizzes will be made up before or after school on the next school day. Prior arrangements are to be made with the teacher.

TEACHER COMMUNICATION

Students and parents who email teachers should expect a response within 24 hours.

TUTORING TIME

Teachers are available from 2:30pm to 3:00pm Monday through Thursday for tutoring. National Honor Society members are available for tutoring after school as well. Arrangements should be made with the NHS Moderator. Students should consider this time part of the school day and take advantage of tutoring time to receive help from teachers. Athletic practices and/or club meetings will not occur until 3:15 Monday-Thursday to allow for tutoring.

LEARNING STRATEGIES

Only students who have a current Individual Education Program (IEP) or 504 plans through Collier County Public Schools or previous school district may be placed in the Learning Strategies class. All IEP's or evaluations must be current (within three years).

STUDENT LIFE

ADMINISTRATION AND LEADERSHIP

The Director of Athletics is directly responsible for all athletic events and issues concerning St. John Neumann's Athletic Program. The Assistant Principal is responsible for all non-athletic co-curricular activities.

ADMISSIONS

A student who wishes to enter the 9th grade is expected to take an Entrance Exam. The student's previous academic, attendance, and disciplinary records are evaluated in addition to the scores of the Entrance Exam and referral forms from the Math and English teachers. If it is determined St. John Neumann Catholic High School has the program that meets the needs of the applicant, notification of acceptance will be sent.

Students are required to submit a **Florida Department of Health Certificate on Immunization** as a condition precedent to acceptance. Religious objections are not recognized. In addition, each student must provide a copy of his or her **birth certificate** for inspection. If a student's natural parents are divorced, a copy of custody papers may be required.

Transfer students follow the procedure described above. PSAT or SAT scores may be presented in lieu of taking the Entrance Exam, at the discretion of the Director of Admissions.

ADVISORY

Each student will be assigned a faculty advisor who, working with the Guidance Department and the head of the Advisory Committee, will meet with the student on a regular basis to ensure that the student is taking advantage of all available resources to excel while at St. John Neumann Catholic High School and to have the qualifications necessary for college acceptance. Together with their advisors, students will evaluate, on a quarterly basis, grades, classes, service hours, extra-curricular activities, and their use of Naviance to explore college requirements and scholarship opportunities. Students are expected to dress professionally for advisory meetings.

GUIDANCE SERVICES

Guidance services are available to every member of the student body. These services include career and college counseling, educational planning, testing and interpretation of test scores, financial aid and planning for college, and assistance with academic problems. Students and parents wishing to avail themselves of any of these services should make an appointment with the Guidance Director.

HOUSE PROGRAM

Each student will be assigned to a House that will remain the same during their time at St. John Neumann. The four Houses will compete against each other for the "Bosco Cup" presented to the House with the most points at the end of the year. Points can be earned by attending school functions, winning house competitions, honor rolls, etc. Within each House will be four rooms. These rooms will meet every morning as a homeroom. The rooms will be rearranged after each semester, giving students the chance to socialize and work with different people.

Goals of the House System include:

- Build lifelong friendships amongst all classes.

- Promote individualized mentorship and support from faculty and peers.
- Enhance school spirit and pride through team building and activity participation.
- Strengthen interpersonal skills.

HOUSE LEADERSHIP

QUALIFICATIONS FOR LEADERSHIP POSITIONS

To run for office in the House Leadership, a student must meet the following requirements:

- Minimum 3.0 grade point average with no failures in the most current semester completed.
- Teacher recommendation.
- Disciplinary and attendance records acceptable to Administration.
- Willingness to submit to drug screen, if requested.
- Must be officially registered for the following school year.

LEADERSHIP

Each House will have two captains responsible for the overall well-being of the house. Within each room, there will be a leader and an apprentice responsible for the day-to-day activities. House Leadership will take the place of Student Council assuming the responsibilities and voice of the student body.

BOOK BAGS AND BACKPACKS

Book bags and/or backpacks, purses and tote bags will be permitted in the classroom. These items are to be placed beneath their desk or on a shelf in the classroom. This is subject to change by Administration.

FIELD TRIPS

Whenever a parent or guardian requests their child be permitted to participate in an extracurricular or off-campus activity (e.g. "field trips"), the school must receive from the parent or guardian a signed "Release from Liability" form agreeing to release from their own negligence and not hold liable, the Roman Catholic Diocese of Venice and St. John Neumann Catholic High School collectively, all officers, directors, employees, and agents collectively or individually of these corporations and any other entities and individuals who are in any way connected with the activity. In addition, the parent/guardian consents to the child's/ward's participation and waives and releases all rights and claims for damages. The school administration has the right to withhold permission for students to attend off-campus events.

iPADS

Refer to Appendix C, Appendix D, and Appendix E. Please note: broken/damaged iPads must be turned to the Technology Integration Specialist within 24 hours of damage. A \$100 charge is assessed to the student for any damage to iPads.

LOCKERS

Students will be assigned a locker and should keep all belongings in lockers (school and/or athletic), which are to be kept locked at all times. Any athletic bags or equipment that does not fit into the student lockers should be taken to the Athletic Director for safekeeping. **The school is not responsible for items lost or stolen.** Any student caught going through another student's locker will be subject to the disciplinary action for theft as outlined in this handbook.

A lock issued from St. John Neumann Catholic High School is the only lock permitted on school lockers; authorized school personnel may remove any other type of lock with the assistance of bolt cutters. Students who lose or damage their school lock will be charged a replacement fee.

Since lockers are the property of the school, authorized school personnel may open any locker at any time. Any items or substances found in a student's locker will be considered that student's property. Students are encouraged to use lockers in the athletic building for athletic equipment or bags that do not fit in the school lockers. Items may not be left on top of the lockers, on the ground, or in the hallways. Staff will remove items left outside of lockers or in common areas.

Students are responsible for any writing or vandalism done inside their assigned locker. In addition, students are responsible for emptying and removing all items from their locker prior to the last day of school. Students will be assessed a fee and will be subject to disciplinary action for the above infractions.

LUNCH

Each student is personally responsible to maintain a clean environment. **Lunch must be eaten in the Justin Holecek Student Life Center or the courtyard.**

Lunch is available for students to purchase daily through Chef Dan's online ordering site (<https://www.chefdansjn.com/>). Orders must be placed by 8:00 a.m. to be filled. Parents are not allowed to bring students lunch during the school day.

PARKING AND DRIVING

The right to drive and operate a motor vehicle on school property is controlled by the State of Florida through the Department of Highway Safety and Motor Vehicles. All applicable State regulations are enforced. The operation of a motor vehicle is controlled by various regulations and laws for the safety of all concerned and should be viewed as a privilege, not a right.

Parking spaces are considered the property of the school. Any vehicle parked on campus is subject to search by Administration under reasonable suspicion.

All vehicles must enter the student parking lot through the entrance and leave through the exit. Any student who exits through the entrance or enters through the exit will be subject to detentions and/or suspension and possible revocation of campus parking privileges.

All vehicles are to be properly parked and locked. Nose-in parking is required. Back-in or slant style parking is not permitted. Any vehicle driven by a student to school and parked in a school parking space must have a current and official SJN parking tag displayed by hanging from the vehicle's rear-view mirror. These tags may be obtained in the Dean of Students office after the student has signed up for a parking spot. Students in grades 10, 11 and 12 will be emailed a SignUp Genius link to sign up for a parking spot. When signing up for a parking spot, the student must provide the make, model, color, and license plate number of the vehicle to be driven on campus. Students who are driving a different car must report to Mrs. Casella in the school office with the above information. Students must park in their assigned space or the student risks having their driving privilege suspended or revoked.

Students **MAY NOT GO** to their cars during the school day without permission from the front office and escort from the Security Officer.

Any student who drives recklessly or at any excessive speed (as defined by Administration) on campus or in the neighborhood of the school will be liable for punishment and possible revocation of campus parking privileges.

The loud playing of car stereos on campus or in the neighborhood of the school is prohibited. A violator will be warned, issued detention(s), suspension(s), and finally may face possible revocation of campus parking privileges and further disciplinary actions.

The school is not responsible for vehicles left unattended after school hours.

SCHOOL FACILITIES

All students are expected to maintain the cleanliness and safety of the school's facilities. Students are to refrain from littering and eating outside of the cafeteria/courtyard area during the school day. Defacing school property may be considered a serious offense and appropriate disciplinary action will be taken.

PARTICIPATION

Participation in co-curricular activities is a privilege that can be revoked by Administration for academic or disciplinary reasons. Only registered students may participate in St. John Neumann sponsored activities.

A student who plans to participate in any co-curricular activity or attend any co-curricular activities must be in school on the day of the event. Prior permission must be obtained from the Dean of Students before an exception to these guidelines will be considered. A student who is not in school is not permitted to participate in any co-curricular activity sponsored by the school. This includes, but is not limited to, team practices, games, after school meetings, and attendance at athletic events. A student must also be in school on time the day following participation in a school event. Participation in co-curricular activities, as well as attendance to these events, is a privilege and may be revoked at the Administration's discretion.

NATIONAL HONOR SOCIETY

DESCRIPTION

National Honor Society (NHS) is a national organization established to recognize outstanding high school students. The Faculty Council selects sophomores, juniors, and seniors that exemplify excellence in the areas of Scholarship, Leadership, Service, and Character.

SELECTION PROCESS

At the announced time, near the end of the first semester, students who wish to be considered for membership will make themselves known to the Faculty Advisor. Each is asked to provide thorough written information concerning his or her activities and contributions in and outside the school community. Students' discipline and attendance records will be taken into consideration. To be eligible, the student must have a cumulative **unweighted** GPA of 3.67 or higher, be currently enrolled in three (3) or more honors/AP classes, and fulfilled their community service requirement. GPA alone is not the determining factor of the selection process.

FACULTY CONSULTATION

Each faculty member is presented with a form listing qualified students and asked to rate observed performance criteria in the areas of scholarship, leadership, service, and character. The written information submitted by the students is made available to assist the faculty in familiarizing themselves further with students' endeavors.

APPOINTMENT OF FACULTY COUNCIL

Upon reception of the tabulation of faculty evaluations, the Faculty Council, appointed by the Principal, makes the final selection. The NHS Advisor serves as an ex-officio member of the Faculty Council. Once selected, students are awarded membership at a special induction ceremony. With induction, members assume certain obligations.

ATHLETICS

PARTICIPATION

Participation in extra-curricular activities, which includes athletics, is a privilege that can be revoked by Administration for academic or disciplinary reasons. Only registered students may participate in St. John Neumann sponsored activities.

A student who plans to participate in any extra-curricular activity or attend any co-curricular activities must be in school on the day of the event. Prior permission must be obtained from the Dean of Students before an exception to these guidelines will be considered. A student who is not in school is not permitted to participate in any extra-curricular activity sponsored by the school. This includes, but is not limited to, team practices, games, after school meetings, and attendance at athletic events. A student must also be in school on time the day following participation in a athletic event or game. Participation in extra-curricular activities, as well as attendance to these events, is a privilege and may be revoked at the Administration's discretion.

FLORIDA HIGH SCHOOL ATHLETIC ASSOCIATION (FHSAA)

St. John Neumann is a proud member of the Florida High School Athletic Association and subscribes to and enforces its rules, regulations, and procedures as set forth in the FHSAA handbook. In addition, St. John Neumann also prescribes and enforces rules, regulations, and procedures governing the student/athlete, which are not contrary to and in many cases compliment the FHSAA guidelines.

State law, the regulation of the FHSAA, and policy established by the Administration of St. John Neumann Catholic High School governs eligibility rules.

The FHSAA policy requires a student maintain a cumulative GPA of at least a 2.0 on a 4.0 unweighted scale for each semester in order to be eligible to participate in athletics for the next semester.

However, a St. John Neumann student must maintain a cumulative GPA of at least a 2.5 on a 4.0 unweighted scale for each semester in order to be eligible to participate in athletics for the next semester.

PHYSICIAN'S STATEMENT

No student shall be eligible to represent the school in interscholastic athletics unless there is a physician's statement on file for the current year certifying that the student has passed an adequate physical examination, and that, in the opinion of the examining physician, the student is fully able to participate in high school athletics. The FHSAA EL2 (physical) is available on the Family Portal in FACTS.

Parents are required to sign FHSAA forms releasing student-athletes for participation in athletics. This form must accompany the required health form. The FHSAA EL3 (consent) is available on the Family Portal in FACTS.

CONDUCT

Unsportsmanlike conduct against another player, coach, fan, game official, or anyone else associated with the execution of an athletic contest is unacceptable behavior for a Neumann student athlete, coach, student fan, or parent, and will not be tolerated.

THREATENING, BULLYING, HAZING, OR HARASSING BEHAVIORS

While all St. John Neumann Catholic High School students are expected to adhere to school policies relating to threatening, bullying, hazing or harassing behavior, additional penalties will be placed on student athletes who are suspended for a violation of these policies, including misuse of Social Media.

Athletes who are suspended for threatening, bullying, hazing or harassing behavior directed at any other member of the St. John Neumann community will be banned from dressing out and/or participating in 20% of that season's non-playoff games, or the next season's games if the incident occurred out of season, including in the summer. Athletes who participate in hazing **of any sort** will be suspended and subject to expulsion.

FINANCIAL RESPONSIBILITIES OF STUDENT ATHELETES

Student athletes are financially responsible for the Athletic Fee requirements for each sport played. Amounts vary depending upon the sport. These fees may be paid in full or offset by participating in the fundraising events/activities. Amounts are due as follows.

	<u>Athletic Fee</u>
Fall sports	8/30/24
Winter sports	11/22/24
Spring sports	2/28/25

TRANSPORTATION

Student athletes are expected to maintain the cleanliness of school-owned vehicles, to abide by safety rules, and to follow the directions of the driver at all times.

Unless requested by a parent, in writing or in person, and granted permission by the Administration, all student athletes must travel to and from the away games outside of Collier County in the school-provided transportation. Parents, who request their student athlete travel home with another parent, must make their requests in writing at least one day prior to the event. In the absence of an Administrator, the coach is authorized to grant permission to the parent requests.

ATHLETIC CONDITIONING AND PRACTICES

Students who have participated in the first day of practice for a St. John Neumann sport team must complete the entire season activities for that sport through the competition season, including the last game of the season, before beginning conditioning or practice for any other St. John Neumann sport.

COMPLETION OF SPORTS SEASON

Should a student athlete quit a St. John Neumann High School sport before the last game of that sport's season, they may not begin conditioning, or practice with another Neumann sport team, until the last game of the original sport they quit has been completed. This also would include an athlete who is suspended at the end of their sport season for the remainder of the season. They must wait until the sport they were suspended from has concluded its season, before beginning a new sport season.

PARTICIPATION IN CLUB AND/OR TRAVEL ATHLETICS DURING ST. JOHN NEUMANN SEASON

All St. John Neumann Catholic High School sports teams' activities, including practice, games, meetings, and team activities, must take precedence over any club or travel team that a student athlete may participate in during the SJN team's competition season. The SJN Head Coach may at his/her discretion prohibit team members from participating on a club or travel team during the competition season of an SJN sport. These exceptions must be communicated by the Head Coach at the Team Parent Meeting held before the season begins.

CONDUCT AT ACTIVITIES

Responsible conduct is expected of St. John Neumann Catholic High School students at all events, whether they are held at school or elsewhere, and whether they are participants or observers. Name calling, verbal threats, or any other attempt to harass, embarrass, humiliate, or intimidate another will not be tolerated by spectators. Additionally, the use of vulgar or profane language or referring to individual players by name or number may result in students being referred to school officials for disciplinary actions or other spectators to leave the activity.

It is expected that students will follow prudent judgment regarding attire when attending school events on or off campus. Students wearing offensive, immodest, or inappropriate clothing as determined by an administrator on site may be sent home or receive disciplinary penalties or both. Bare midriffs, low-rise jeans, short shorts, modified t-shirts (i.e. no collar, sleeveless), or other attire with offensive or inappropriate messages or symbols are among the unacceptable attire for young women. Being shirtless, excessively baggy or immodest clothing, modified t-shirts (i.e. no collar, sleeveless), or other attire with offensive or inappropriate messages or symbols are among the unacceptable attire for young men.

REGULATIONS AND POLICIES

ATTENDANCE

Daily attendance in class is essential. There is a very high correlation between absenteeism and poor academic performance. The school and parents work as partners to see that students recognize their responsibility for being in school on time and working to their full potential. Because the safety of our students is our chief concern, communication between school and parents when they are absent or tardy is expected. Throughout the school day, attendance will be recorded by each teacher for every class and monitored by the main office as on-going process. The only absences excusable by state law are those caused by a student's illness and serious family emergency. Family vacations, medical appointments, or other business appointments should not be made during class time. If a student misses school only on the day of a test, he or she must be prepared to take the test on the day of return. An alternate form of the test may be given.

A block period is considered two (2) absences for that course. After a student has been absent from a course four (4) times, the parents will be notified in writing. If a student exceeds seven absences, the student may receive an administrative failure for the course(s) for that quarter. The Administration may determine that in exceptional circumstances (for example, extended hospitalization), an administrative failure is not warranted.

Students are responsible for all work missed while absent. They have the number of calendar days (includes weekends) that they were out of school to make up missing assignments.

No student may practice, play, or participate in an extra-curricular activity or sport if he/she is absent from school.

If a student cannot participate in Physical Education classes because of a medical problem, a written note from the doctor needs to be presented to the Main Office. This note must include a time line when the student can be expected to resume the activity.

STUDENT SIGN OUT

Parents **MUST** notify the school office by 9AM if their student will be leaving school early. Any student who will be leaving campus with parental/guardian permission before dismissal time **MUST** check in at the Main Office after being called down. Students may not leave campus without checking in at the Main Office. Missing assembly period is considered an absence.

PROCEDURE IF ABSENT

Parents must notify the school office by phone (239-455-3044) or email attendance@sjnceltics.org between 7:15 a.m. and 8:30 a.m., to explain the reason for their child's absence. **This should be done on each day of an absence.**

EXCUSED VS. UNEXCUSED ABSENCES

An absence is excused only when accompanied by a doctor's note or a court order. Parental notes confer permissible status of the absence. They EXPLAIN but DO NOT excuse the absence. The school administration determines whether an absence is excused or unexcused.

Absences for juniors or seniors who are visiting colleges are considered excused absences if appropriate documentation from the university is provided. No more than three (3) days may be considered excused absences for college visits.

St John Neumann Catholic High School does not differentiate between excused and unexcused absences. While we do request medical documentation as verification for an absence, and days missed due to illness or

injury they still count toward the permitted ten (10) days each semester even when medical documentation is provided. Time missed due to Neumann functions does not count towards a student's ten (10) days. Students with ten (10) or more absences may be placed on probationary contract (case-by-case basis). Missed block classes will count as two (2) absences.

All absences, including excused absences, remain part of a student's permanent school record.

_____ **Parent Initials Required (for pages 25-26)**

TARDINESS

Students are expected to allow themselves enough travel time to arrive at school on time. Upon arrival to campus, all students must remain on campus until dismissal unless specific permission by administration is granted. Tardy students cause disruptions and impede the learning process.

- Students are expected to be in homeroom by the 7:45 a.m. bell. Students arriving after the bell will be considered tardy and are to report to the Main Office for a late pass. A phone call from a parent explaining the lateness does not "excuse" the tardy.
- Students arriving within the first 15 minutes will be considered tardy. Students will be considered both tardy and absent if they arrive to class 15 or more minutes late.
- Any student who is late to school three (3) times will be required to attend a 30-minute after school detention.
- After accumulating the 4th tardy per quarter, the student will serve a one-hour after school detention and be placed on a tardy contract.
- Under the contract the next tardy (5th tardy) may result in the student being required to attend the next scheduled three (3)-hour Saturday morning detention from 8:00 a.m. to 11:00 a.m. in school uniform. Parents may be required to attend a conference before student is readmitted to class.
- Following the 5th tardy per quarter, each tardy to school or class, under contract, will result in the assignment of a three (3)-hour Saturday morning detention.
- Students who have an unexcused tardy may **NOT** make up the work they missed.

During the school day, students who are late for class must report to the office for a pass before they will be allowed into the classroom.

CHANGE OF ADDRESS, TELEPHONE NUMBER OR EMAIL

All changes of address, telephone numbers, or email should be brought to the attention of the Main Office immediately.

CLOSED CAMPUS

A student must obtain permission from the Administration to leave campus between the hours of 7:45 a.m. and 2:30 p.m. (dismissal). "Leaving campus" is defined as being outside of any assigned or designated area. An unauthorized departure from campus, field trips, retreats, etc., by a student is a serious violation and carries with it a severe penalty. To maintain the safety of our students, the administration prohibits any student from

leaving campus for lunch, even if given parent/guardian permission, and appropriate disciplinary action will be taken.

COPYRIGHT, USE OF NAME, CREST, LOGO, OR IDENTITY

A consistent identity is a vital part of the St. John Neumann Catholic High School's relationship with the public. Simple things like fonts, imagery, and colors when used consistently, make for a stronger brand and add to the public's ability to identify Neumann.

The Development Office must approve the use of the name "St. John Neumann Catholic High School," "Neumann," "Neumann Celtics," and/or the St. John Neumann crest or school logo in writing. All use of the crest and logo must be reproduced from electronic files provided by the Development Office. No changes to the logo or crest are allowed including, but not limited to, colors and fonts.

Permission to use the name, crest, or logo of St. John Neumann Catholic High School may be revoked at any time. Materials published on sjnceltics.org is copyrighted and the property of St. John Neumann Catholic High School, unless otherwise noted.

DAILY DEMEANOR AND CONDUCT

St. John Neumann is a community of individuals who care, respect, and dignify not only one another, but also people outside their community. Students espouse the values of Jesus Christ. A student should recognize it is a privilege, and not a right, to enroll in St. John Neumann Catholic High School and therefore agrees to be bound by its code of conduct. The operating presumption is each student chooses and wants to be here.

The entire school community desires a pleasant and wholesome environment in which to conduct business. Fighting, using tobacco/vaping, drugs or alcohol, vandalizing, violating testing procedures, stealing, and publicly disgracing or misrepresenting the school are unacceptable behaviors and may be dealt with swiftly and severely. Whether an infraction occurs on or near the campus or at any school related function is irrelevant; it still is prohibited.

DELIVERIES

Deliveries of a personal nature are discouraged due to classroom and staff disruption. Urgent deliveries must be directed to the Main Office. The office staff reserves the right to postpone delivery until the end of the day. Parents may not arrange to bring in fast food for students during lunch hour.

DEPARTMENT OF CHILDREN AND FAMILIES INVESTIGATION

The school will reasonably cooperate with regard to any investigation by the Department of Children and Families (DCF) pertaining to allegations of child abuse. Since the school is on private property, DCF will be precluded from reasonable access to students at school unless the consent of a parent or guardian is obtained. Absent such consent, the school will cooperate in allowing DCF to have access to students if DCF obtains, according to law, an appropriate court order or other legal authority, such as the presence of a police officer or deputy sheriff.

DRESS REQUIREMENTS

DAILY DRESS CODE

St. John Neumann employs a dress code for both classroom and Physical Education classes

It is the responsibility of the parent/or guardian AND the student to ensure that uniform clothes are purchased in the correct size and that students wear the uniform items in an appropriately fitting size throughout the entirety of the school year. It is possible that students may need different sizing during the year, or from one year to the next, depending on growth spurts or body changes.

IT IS THE RESPONSIBILITY OF THE PARENTS AND STUDENT TO MONITOR CHANGES AND ENSURE UNIFORMS FIT PROPERLY THROUGHOUT THE ENTIRE SCHOOL YEAR, AND THAT YOU DO NOT SEND YOUR STUDENT TO SCHOOL IN GARMENTS THAT DO NOT MEET DRESS CODE STANDARDS.

If a student is not dressed appropriately, the Administration retains the right to require the student to purchase additional uniform pieces at no expense to the school. The Dean of Students or Activities Coordinator will make the determination if the dress code is being violated.

Violation of the dress code will result in the student being immediately sent home from school and the student will be marked with an unexcused absence for the day, which means no missed assignments or tests may be made up for that day.

If sent home, a student may not participate in any Athletic or extra-curricular activities on that day.

Students may return to school the following day but will be required to:

- **Provide proof that appropriately fitting school uniform attire has been purchased; and**
- **Wear appropriately fitting attire that approximates the school uniform, such as navy shorts, skirt or pants, until the new uniform item arrives.**

Unless otherwise permitted by explicit announcement from the administration, the following is expected of all students during school hours. In the event of very cold temperature spells during the winter months, Administration will explicitly announce to students and families that cold weather attire will be allowed for a specified period of time. Wearing these items beyond the specified announced timeframe will be considered a uniform violation. Blankets are not allowed to be used/worn for warmth on these days.

GATES

For security reasons, all school gates will be locked at all times, except 15 minutes prior to the start of the first class of the day. At that time, the entrance gate from the student parking lot and the drop off gate will both be opened and supervised by a faculty member. The gates are electronic and may be opened by students using their Neumann ID's from 7:00 – 7:30 Monday through Thursday and from 7:00 – 8:45 on Fridays.

Students arriving after the late bell, must buzz in with the Main Office.

Students involved in after school-activities will also be able to utilize the electronic gates from 2:30 – 7:00pm Monday through Friday.

Students are responsible for their IDs and must report losses to the Main Office **IMMEDIATELY** in order for the school to deactivate the bar code and prevent misuse of the ID. Failure to report undermines the safety of the student body and will be considered a serious disciplinary offense. A replacement cost of \$5 will be charged for IDs and \$10 for lanyards. Students may obtain a temporary ID which must be returned at the end of the school day. Failure to return will result in a \$5 replacement fee. **Lanyards and ID's must be worn at all times during the school day. During practices and games, these items must be stored in lockers.**

Students are not to open any school gate for any person not wearing a St. John Neumann issued lanyard. They are not to prop open any gate for any reason.

TECHNOLOGY

This policy applies to students, staff, and other users of technology at St. John Neumann, and all equipment that is owned or leased by St. John Neumann Catholic High School or that has been added to the School's network. Inappropriate use of school equipment exposes St. John Neumann Catholic High School to risks including virus attacks, compromise of network systems and services, and legal issues. The intentions for publishing an Acceptable Use Policy are not to impose restrictions contrary to Neumann's established culture of openness, trust and integrity, but to protect students, faculty, and staff from illegal or damaging actions by individuals. Refer to the Appendixes for iPad agreements.

Internet/Intranet/Network systems, including but not limited to computer equipment, software, operating systems, storage media, network accounts providing electronic mail, WWW browsing, and FTP, are the property of St. John Neumann Catholic High School. All students enrolled at St. John Neumann Catholic High School will be given a @sjnceltics.org email account, which they are expected to check daily for information from their teachers and/or Administration. These email accounts will be used throughout the student's career at Neumann. The email accounts of students who graduate from St. John Neumann Catholic High School will remain active until August 30th of the year following their graduation, at which point, the account will be deactivated. Notice will be sent approximately 30 days prior to account deactivation to remind graduates of this policy. Deactivated accounts will be deleted from the system after 30 days. The email accounts of students who depart from St. John Neumann Catholic High School prior to graduation will be deactivated immediately upon their departure or as soon as conveniently possible. - *1st Offense* – One (1) detention will be issued. The cell phone will be turned in to the Dean of Students intact by a teacher or administrator and the student's parent(s) must contact the Dean of Students before the confiscated cell phone is returned. "Intact" means the battery chip or keypad of the phone will not be removed by the student prior to confiscation. The removal of the cell phone battery chip or keypad by the student may be considered as an attempt to conceal academic dishonesty or illegal behavior. - Official records, including transcripts, will not be released or forwarded to any outside party or to the student or their family.

However, in these cases, no refunds will be given for amounts paid in excess of the amount due.

¹ Enrollment fee – amount paid when student is enrolled for the following school year.

² Student fees – amounts paid for activity, lab, textbook and technology fees.

DISCIPLINE

Students are expected to conduct themselves, at all times, in a manner contributing to the best interest of the school environment and not infringe upon the rights of others. With this in mind, all school rules apply whether the conduct takes place on school grounds, off school grounds at a school activity, function, or event, or in route to and from school-related activities.

RESPECTFUL BEHAVIOR CODE

A student who demonstrates a lack of concern for others will hinder the growth of the community, and consequently, may have to be corrected in the name of the community. A student who is repeatedly being corrected for this violation of disrespect or sexual harassment may be asked to leave the school for the sake of the greater community.

ACADEMIC DISHONESTY

Copying of homework, class work, or other academic work product is prohibited, as is plagiarism, and cheating of any sort carried out by any means. Students found in violation will be subject to disciplinary and academic consequences. Students may receive disciplinary actions including, but not limited to, detention, suspension, and a request from the school to withdraw, or expulsion based on the nature and severity of the offense. Academically, students will receive a "0" on the assignment or may even be denied credit for the course; again, based upon the severity of the offense. Please see details under "Academic Integrity" on page 13.

DISCIPLINARY DETENTION

Detention takes precedence over all other activities (sports, clubs, etc.) It is the student's responsibility to notify coaches/moderators/teachers of the need to serve a detention if it requires his/her absence from another activity. Failure to attend a regular detention will result in a Saturday detention. Failure to attend a Saturday detention will result in a one day in school suspension.

The following offenses may result in the assignment of an after-school detention:

1. Disregarding school personal appearance requirements.
2. Loitering in corridors or unsupervised classrooms, or being outside of class without a pass.
3. Eating or drinking outside of the assigned areas.
4. Littering.
5. Visiting cars during school hours with permission from the Main Office.
6. Disrupting class or announcements.
7. Minor infractions of any other school policy or regulation.
8. An event where a cell phone is seen, heard, or used during a prohibited time.
9. Wearing earbuds or headphones during the school day or in class, unless instructed by the teacher (only allowed during lunch or after school).
10. Wearing a smart-watch during the school day (only allowed during lunch or after school).
11. Other disciplinary infractions not listed above may also result in the issuance of a detention.

The following scale is to be applied to the issuance of detentions. This scale is on a per semester basis. Students' detention levels are brought down to zero at the end of a semester. However, a student who reaches nine detentions in two consecutive semesters may be asked to withdraw from St. John Neumann Catholic High School. This rule applies to consecutive school years. (E.g. a student who receives nine detentions in the second semester of a school year and follows in the next school year with nine detentions must withdraw.)

- 3 Detentions =** Saturday Detention
- 6 Detentions =** Saturday Detention, Parent Conference
- 9 Detentions =** Three-Day Out-of-School Suspension

*Because the "nine (9) detentions" suspension has been precipitated by numerous violations of school policy and was completely preventable, **no make-up work will be accepted for this type of suspension.** Disciplinary*

probation will be immediately imposed.

12 Detentions = Mandatory withdrawal from St. John Neumann Catholic High School,

MAJOR VIOLATIONS

Some actions, by their very nature constitute a major violation, for example:

1. Use of or inducement in activities related to use of drugs and/or alcohol.
2. Insubordination and/or insolence.
3. Willful or negligent destruction or damage of property (vandalism).
4. Academic dishonesty.
5. Bullying.
6. Harassment.
7. Cutting class.
8. Truancy.
9. Theft.
10. Repeated unexcused absence from detention.

Depending on the nature of the offense, immediate expulsion may be the consequence.

SUSPENSION

A suspended student may not appear on school property or at any school-sponsored activity on or away from school grounds. This includes athletic functions hosted at other venues.

Parents/guardians will have complete custody and jurisdiction of their son/daughter during a suspension. Suspensions count as unexcused absent. Work for suspensions, which are the consequences of accumulated detentions, may not be made up.

EXPULSION

A student is subject to expulsion from school when:

1. A student has received his/her 12th detention in a single semester.
2. A student receives nine or more detention in two consecutive semesters.
3. A student's conduct has shown repeated disregard for school policies.

Students expelled or asked to withdraw may not attend school functions, including dances, on or off campus nor may they request re-admittance to the school. Only the Principal, in consultation with the Diocese of Venice, is empowered to expel a student or request a student to withdraw from school.

REQUEST FOR A HEARING

In cases of suspension or expulsion, the student may appeal the decision by requesting a hearing on one or more of the following grounds: that the decision 1) failed to consider relevant information, 2) violated fair procedures, or 3) is a disproportionate response to the offense. Peripheral issues regarding previous disciplinary actions or actions taken against other students will not be discussed. The Principal determines if the hearing is justifiable; if so determined, the Principal will moderate and choose members of the hearing board, consisting of administrators or teachers not directly involved in the case. The student may request the presence of a particular staff member subject to the approval of the Principal and willingness of the individual requested. Parents or guardians may accompany the student to provide support but may not address the hearing board. The Dean of Students will present the disciplinary decision and provide rationale for the decision. The student will then state his or her case and answer questions from members of the hearing board. Neither the student nor any parent or guardian may question or challenge members of the hearing board or administration. The presence of any person not approved by the Principal, including legal representation, is strictly prohibited. The decision of the hearing board is final.

WEAPONS

Weapons are prohibited on school property, at any school function on or off campus, or on any school-sponsored transportation. Schools in the Diocese of Venice adhere to the Gun-Free Schools Act of Title VIII. All firearms are prohibited and will result in expulsion. Firearms mean any weapon, which will, or is designed to, or may readily be converted to expel a projectile by the action of an explosive or destructive device. Possession of other weapons such as knives or any other item that can be used as a weapon is grounds for disciplinary action, including expulsion.

THREATENING, BULLYING, HAZING OR HARASSING BEHAVIOR

Students violating a safe and supportive school environment by threatening, bullying, or harassing others with words, actions, or messages (written, electronic, or otherwise) deemed physically or psychologically harmful, regardless of intent and whether occurring on or off campus, will be addressed and held accountable for their actions. Hostile Environment Harassment occurs when unwelcome conduct is so severe, persistent, or pervasive that it affects the student's ability to participate or benefit from an educational program or activity or creates an intimidating threatening environment. Hazing and any type of initiation by individuals, groups or teams, regardless of the willingness of the participants, is prohibited. School administration will work to increase understanding, reconcile students and families, restore trust and strengthen the community in all cases.

The Dean of Students in consultation with the Principal will determine appropriate disciplinary intervention ranging from parent conferences to expulsion in more serious circumstances. Repeated threatening, bullying, or harassing behaviors will not be tolerated and will result in expulsion.

Any student judged to be a serious or credible threat to the physical safety and well-being of others will be reported to law enforcement and expelled from St. John Neumann Catholic High School.

Students or parents aware of threatening, bullying, or harassing behaviors taking place **on or off campus** are urged to inform school administrators. When problems exist off campus, in addition to informing the school, parents are encouraged to pursue all legal means at their disposal whenever student safety or well-being is at stake.

Sexual harassment is a form of sexual discrimination and is forbidden. There is an obligation to report sexual harassment by anyone who experiences or witnesses it. The school will take immediate and appropriate steps to stop and prevent future harassment once the person accused has been placed on notice.

REPORTING INCIDENTS OF BULLYING OR HARASSMENT

Students, parents, or other concerned individuals may access an anonymous reporting form, which can be found as Appendix B in this handbook, to report incidents of bullying or harassment to Administration. This handbook is also available online at www.sjnceltics.org/current-parents/publications-and-forms. Once an incident has been reported, Administration will investigate the situation.

STUDENT DISCIPLINARY RECORDS

Disciplinary records kept by the school are not normally part of the student's permanent record. The permanent file kept for each student consists of grades, attendance records, and standardized test scores. Discipline records of grievous acts or extreme circumstances may be kept on file at the discretion of the Principal.

An incident report may be filed with the Collier County Sheriff's office.

OFF CAMPUS BEHAVIOR – DIOCESE OF VENICE POLICY

Schools in the Diocese of Venice reserve the right to discipline students for engaging in conduct that occurs off campus if it endangers the health and/or safety of others, adversely affects the educational process or the reputation of the school, or is in conflict with the moral teachings of the Catholic Church.

Examples of such conduct include, but are not limited to, illegal activity; alcohol consumption, possession, use, or sale of drugs, inappropriate Internet activity, harassment or bullying, pornography, fighting, illegal use of firearms, theft, arson, and sexually inappropriate behavior.

Students may be subject to different disciplinary penalties for off-campus conduct depending on the severity of the issue. Such penalties may include, but are not limited to, suspension, expulsion, detention, and/or restitution. The student may also be removed from extracurricular activities and sporting events, as well as field trips, dances, and graduation ceremonies.

St. John Neumann Catholic High School does not sponsor, oversee, or in any way control parties or social functions at private residences. School-sanctioned events are specifically identified on the school calendar or are identified as such in written notice generated and distributed by St. John Neumann Catholic High School.

OUT OF SCHOOL ARREST

Students arrested outside of school tarnish the reputation of St. John Neumann Catholic High School as well as their own. Therefore, any student arrested outside of school may automatically be placed on emergency suspension until further notice with the possibility of expulsion. These cases may be reviewed by Administration.

DRUG, ALCOHOL, AND TOBACCO POLICIES

In accordance with Diocesan school policy, St. John Neumann Catholic High School has implemented a comprehensive drug, alcohol, and tobacco policy. Student use or possession of illegal drugs, alcoholic beverages, mood-altering substances, drug-related paraphernalia, prescription or non-prescription drugs (not registered with the office staff), tobacco, or any other controlled substance defined herein, including e-cigarettes, hookah, etc., is forbidden. The following policies are designed to maintain a drug- and alcohol-free environment, promote health and well-being, and address students at risk.

PASTORAL RESPONSIBILITY TO STUDENTS AND PARENTS

Due to the well-being of the student being a primary concern, suspicion of drug and/or alcohol abuse will be addressed with parents in order to assist the student in the recognition and treatment of harmful and potentially addictive behavior. It is the policy of the Diocese of Venice and St. John Neumann Catholic High School to assist students suffering from substance abuse when possible. Upon reasonable suspicion of student drug use, the school may take the following measures:

- Notification of parents or guardians of the student and consultation with school officials.
- Drug testing.
- Assessment by a certified drug counselor.
- Enrollment in and successful completion of a treatment program by the student.
- Random drug testing during remaining time as a student at St. John Neumann.

UNDER THE INFLUENCE OF ILLEGAL OR ILLICIT SUBSTANCES OR ALCOHOL ON CAMPUS OR AT SCHOOL EVENTS

The School will immediately notify the parents of any student perceived to be intoxicated or under the influence of any drug during a school day, on school property, or at an after-school event. The safety of the student and others is of primary concern. Law enforcement and others may be notified, particularly if the student is perceived to be a threat to himself or others. The school will drug test or breathalyze the student immediately, if possible. All related policies will be applied and enforced whether the event is held on our camps or at another site.

DRUG TESTING

The School may ask a student to submit to a drug test at any time, with or without cause. This may be done at random or based on behaviors reported by teachers, peers, or parents. Students may be refused to visit their lockers, vehicles, bathrooms, or other areas unsupervised before submitting a sample. Any student that refuses to submit a sample must withdraw from St. John Neumann Catholic High School immediately. Students testing positive for any illegal or illicit drug will be subject to the appropriate disciplinary action. In addition, they will be required to pay for the drug test. Students found tampering with the drug test will be subject to expulsion.

Students admitting drug use before the test will still be regarded as testing positive, but their honesty is a sign of willingness to address a problem.

RANDOM DRUG TESTING PROGRAM

Students with drug or other discipline-related concerns may be required to regular drug testing as a condition for remaining at St. John Neumann Catholic High School and as a deterrent to destructive behaviors. Parents of students in the program will be responsible for the payment of each drug test.

USE OR POSSESSION OF PRODUCTS OR DEVICES TO ALTER OR FALSIFY DRUG TEST RESULTS

The use or possession of any product, substance, or device designed to alter or in any way tamper with the results of a drug test will result in immediate expulsion without the opportunity for readmission. Any student providing another student with a product, device, or substance to alter or falsify a drug test result will be suspended and face other penalties as determined by the Dean of Students and/or Principal.

TOBACCO OR OTHER CONTROLLED SUBSTANCE

Use of tobacco/vaping or other controlled substances is forbidden on campus. Any student possessing, smoking, vaping, or chewing tobacco or possessing or using a controlled substance will be suspended.

PARENTAL SUPPORT FOR SCHOOL DRUG, ALCOHOL, AND TOBACCO

St. John Neumann is committed to preventing student use of drugs, alcohol, and tobacco. However, the use of these substances almost always occurs off school property and outside school hours. A student using drugs, alcohol, or tobacco off campus or on the weekends still brings the influence of those substances with him/her to school. Therefore, cooperation between parents and administrators is vital to promoting a drug- and alcohol-free lifestyle in our school.

While many parents are rightly concerned about illegal drug use among young people, attention must also be given to prescription medications kept in the home. Of all drugs abused by teenagers, alcohol is the most common. Because alcohol is not an illegal substance, greater acceptance may be attached to its use in some circles, but it is illegal to serve alcohol to minors, and the drinking age in the State of Florida is 21. Parents have an obligation to communicate honestly with one another and work together to address the problem of teenage drinking and drug use.

COOPERATION BETWEEN PARENT AND SCHOOL

Parents are urged to trust that school policies are designed with the best interests of their children at heart. If parents suspect that their child has a drinking or drug problem, they are encouraged to contact school officials so that a treatment plan may be developed with the health and well-being of the student as the primary concern.

CONFIDENTIALITY

On matters regarding student drug use, the privacy of the student and his/her family will be respected. No one outside the administrators, the student, and the parents involved will be informed of drug testing, test results, or related disciplinary decisions. Visible punishments (removal from elected office, being suspended from athletic participation) are explained to relevant teachers or coaches as an administrative disciplinary decision. Administrators are not responsible for rumors, perceptions, or inferences that result from students or parents sharing information. Note: Confidentiality does not bind the school when maintaining privacy presents a danger to the student or to other persons. When dealing with minors, the school has an obligation to inform parents or guardians in areas of physical, social, and mental health.

SEARCH OF STUDENT CARS, BAGS, LOCKERS OR CLOTHING

Student properties such as cars, purses, school bags, athletic bags, and clothing on school or church grounds can be searched by school administrators when there is reasonable suspicion that the student may be in possession

of a substance or item that is illegal, forbidden by school policy, or a threat the safety and well-being of any members of the school community.

Lockers are school property and may be searched or inspected by administrators at any time, with or without cause.

POSSESSION

Students are responsible for items in their cars, lockers, bags, or on their person, and will be assumed to be in possession of any items discovered.

Items carried on a student's person, placed in his/her bag or purse, stored in his/her vehicle, or kept on school property assigned to their use such as lockers will be presumed to be in possession of that student. Students are responsible for items in their possession on school or church property or at school events. Students and parents are advised that holding an unknown item for someone else, keeping lockers or vehicles unlocked, or claiming ignorance of an item discovered will not suffice as an excuse.

SEIZURE OF ITEMS

School administrators will seize any illegal, inappropriate, or forbidden items discovered on school property and issue the appropriate punishments, including expulsion if warranted. School officials may involve local law enforcement if any search or inspection reveals any items that are illegal or that suggest illegal or criminal activity.

PARENT PERMISSION

School administrators are not obligated to obtain parental permission to conduct searches based on the criteria outlined above. When the situation permits, administrators may call parents as a courtesy. Cooperation is expected from parents.

REFUSAL OF SEARCH

Refusal of permission to search cars, bags, lockers, and clothing either by the student or by parent or guardian will require the immediate withdrawal of the student from school. Students will be assumed to be hiding illegal or forbidden items or substances. If school officials suspect illegal or dangerous items or criminal activity, the police will be notified.

APPENDIX C: ACCEPTABLE USE POLICY ("AUP")

St. John Neumann Catholic High School ("School") is committed to student use of technology as a tool to expand learning opportunities and conduct scholarly research. The use of technology facilitates global collaboration - a vital skill for our 21st century learners. Students at the School utilize Apple iPad on a wireless network. Apple iPads and the wireless network on the School's campus are strictly for educational use consistent with the School's educational goals. Along with the opportunity this provides, comes responsibility. This Acceptable Use Policy is designed to give the student and the student's family, as well as others on the School's campus, clear and concise guidelines regarding the appropriate use of Apple iPads. The underlying premise of this policy is that all members of the School's community must uphold the values of honesty and integrity. We expect our students to exercise good judgment and to utilize technology with integrity.

Only school issued iPads are to be used. Students need the prior approval of the administration to utilize personal devices on campus.

- File sharing of any kind is prohibited both on campus and off campus. The only exception to this is when it is a specific assignment given by a faculty member.
- No file sharing software of any kind is to be installed on the Apple iPads. Examples of this type of software are LimeWire, Bearshare, Kazaa, iMesh, etc. Although these types of programs are software downloads, they automatically create file-sharing connections.
- There is a \$25 re-imaging charge to remove any unapproved software or files.

- Students must secure and maintain private passwords for network and Apple iPad access. This is important in order to protect the privacy of each student. Do NOT share personal passwords or usernames.

The School respects the privacy of every student, faculty member, and administrator with respect to stored files and email accounts. However, if inappropriate use of email accounts or the School's network, including student/faculty handbook violations or harassment, is suspected, the School's administration has the right to view these files in order to investigate suspected inappropriate behavior.

 - Breaking into email accounts and sending vicious or embarrassing materials to others;
 - Engaging someone in electronic communication, tricking that person into revealing sensitive personal information and forwarding that information to others;
 - Posting of a student picture without their permission.
- Any electronic communication that creates a hostile, disruptive environment on the School campus is a violation of the students' and of the staff members' right to be safe and secure. Actions deliberately threatening, harassing or intimidating an individual or group of individuals; placing an individual in reasonable fear of harm; damaging an individual's property; or disrupting the orderly operation of the School will not be tolerated.
- Apple iPads that are provided by the School continue to be the property of the School. Therefore, the School has the right to view all content at any time.
- Any electronic device used on the School network, even if privately owned, is subject to all policies and consequences of the AUP including: the right to view the content of the device at any time; the right to remove content from the device; and the right to retain the device in the School's possession if there is an infraction to the AUP that deserves that consequence, as determined by the School's administration.

COPYRIGHT

- Unauthorized duplication, installation, alteration, or destruction of data programs, hardware, or software is prohibited.
- Data, programs, hardware, software, and other materials including those protected by copyright may not be transmitted or duplicated.

CONSEQUENCES

- The School reserves the right to enforce appropriate consequences for the violation of any section of the AUP. Such consequences could include the loss of the privilege to use an iPad, the loss of the use of the iPad for an amount of time determined by the administration and members of the Technology Department, possible disciplinary action and possible legal action.
- These consequences apply to students participating in the Apple iPad program at the School as well as to students who are using the School's iPads and on campus.
- Any iPad with illegal or inappropriate software or materials on it will be reformatted or "re-imaged," and the student will be charged a \$25 AUP violation fee PER incident for this service. This amount may be increased for repeat violations.
- In the case of repeated Apple iPad abuse and/or damages, the School has the right to revoke the use of the School's Apple iPad and the student will be restricted to using it only on-campus. Repeated AUP offenses or Apple iPad abuses may lead to the loss of a student's privilege of using an Apple iPad on campus.
- Students are to report any known violations of this AUP to appropriate administrative staff members. Random checks of student Apple iPads will be conducted throughout the year to ensure that these policies are being followed.
- The School takes no responsibility for activities conducted on the Apple iPads or materials stored on the Apple iPads, or the School's network.

APPENDIX D: STUDENT APPLE iPad USE AGREEMENT

- One (1) Apple iPad
- One (1) AC/USB Adapter (with power cord)
- One (1) Carrying Case

OWNERSHIP: The School shall be deemed to have retained title to the equipment at all times, unless the School transfers the title. The Student shall hold no security or ownership interest in the Equipment. Likewise, the Student shall hold no security or ownership interest neither in the licenses to the installed software included with the equipment nor in the licenses to any other software that the School may from time to time install on the Equipment used by the Student.

TERM EQUIPMENT USE: The Student shall return all Equipment itemized above in good operating condition to the Technology Department of the School if the Student is not enrolled in the current school year (unless the School transfers the Equipment's title). The School may require the Student to return the Equipment at any time and for any reason. Upon graduation and completion of payment terms, the device will be released to the Student.

EQUIPMENT STORAGE AND USE AT SCHOOL: The Equipment must be on the School's premises during each of the Student's normal school days. During the School's normal business hours or after school, when the Student is not in the immediate presence of the Equipment, the Equipment must be secured in a locked locker or other secure, approved location.

USE OF EQUIPMENT: The primary use of the Equipment by the Student is for the Student's educational programs. The Student may use the Equipment for other purposes only to the extent that such uses do not interfere with these primary uses. The Student shall abide by the School's Acceptable Use Policies ("AUP"). Violation of the School's AUP, which require administrative correction/repair by the St. John Neumann Technology Office, will incur a \$25 fee per incident.

COMPLIANCE WITH SOFTWARE LICENSES: The Student shall not make copies of software licensed to the School. The Student is responsible for compliance with the license terms of any licensed software, and the Student agrees to hold the School harmless for any violations of such license terms.

BACK-UP REQUIREMENTS: The Student may store documents or other files on the Equipment, and the Student is responsible for making back-up copies of such documents or other files. In the event of loss of such documents or other files, the School's responsibility is limited to reloading the School's standard software suite on the Equipment.

CARE OF EQUIPMENT: The Equipment may only be used in a careful and proper manner. The Student shall keep the Equipment in good operating condition, allowing for reasonable wear and tear. The Student shall, within 24 hours, notify the School's Technology Department if the equipment is not in good operating condition or needs repair. The School maintains a service contract covering the Equipment. The Student shall be financially responsible for repairs not covered by the warranty, deductibles or replacement cost. No personal stickers or writing is allowed on the Equipment.

RIGHT OF INSPECTION: The Student shall make the Equipment available to the School's Technology Department as necessary for purposes of inspection, maintenance, repair, upgrading, and/or software installation during the School's normal business hours.

LOSS: The Student assumes all risks of loss of the Equipment and agrees to return it to the School in the condition received from the School, with the exception of normal wear and tear.

WARRANTY: The School honors Apple's warranty on all Equipment as an extended Apple Care warranty has been purchased. The School is not responsible for any damage or defect that does not fall within the scope of the manufacturer's warranty. The Student assumes responsibility for the condition of the Equipment.

INDEMNITY OF SCHOOL FOR LOSS OR DAMAGE: If the Equipment is damaged or lost due to negligence, or any other reason not covered by the warranty, the School shall have the option of requiring the Student to repair the equipment to a state of good working order or to reimburse the School for the replacement cost of such Equipment.

DEVICE: This Agreement shall apply to any model of iPad issued by St. John Neumann Catholic High School until a new Apple Equipment Use agreement is executed between the parties.

ENTIRE AGREEMENT AND MODIFICATION: This Agreement constitutes the entire agreement between the parties. No modification or amendment of this Agreement shall be effective unless in writing and signed by both parties. This Agreement replaces any and all prior Apple Equipment Use agreements between the parties.

GOVERNING LAW: This Agreement shall be construed in accordance with the laws of the State of Florida.

SEVERABILITY: If any portion of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provisions, it would become valid and enforceable, then such provisions shall be deemed to be written, construed, and enforced as so limited.
